RPAS/UAV/Drone Guidelines

- Exhibitors must have approval from show management and your Convention Services Manager (CSM) before flying any RPAS.
- This form must be completed and submitted.
- RPAS carrying weapons are prohibited.
- RPAS may not be flown in lobbies, restaurants or other common areas.
- RPAS are prohibited from flying over populated areas.

Outdoors

- FAA regulations restrict RPAS from being flown outdoors within five (5) nautical miles in class Bravo airspace (McCarran International Airport) and class Delta airspace (North Las Vegas Airport). Due to the proximity to these airports, RPAS are prohibited from flying outside on any LVCVA campus. Waivers can be obtained through the FAA but must be provided to the Convention Services Manager in advance of the event.
