

NATIONAL HARDWARE SHOW® ANNOUNCES NEW SHOW DATES FOR 2020

NORWALK, CT. - March 16th, 2020 – The National Hardware Show® (NHS) is pleased to announce that the 75th anniversary event will now take place on September 1-3, 2020 at the Las Vegas Convention Center in Las Vegas, NV.

“We know how important the National Hardware Show is to our customers’ business and it is our top priority to provide a place where the hardware and home improvement industry has the ability to come together and allow business to continue,” said Randy Field, Group Vice President, Reed Exhibitions.

“Therefore, we will be holding the National Hardware Show September 1-3, 2020. We believe this is the right decision for our customers and the industry in general, which is a vital part of the supply chain for manufacturing and distribution of products.”

Field continued, “We are working with our partners to find solutions to logistical and operational issues that may arise. We are here to help, but ask for their patience as we ensure all of our customers are taken care of. With that in mind, our customers should make sure to change hotels, flights and any other arrangements. Information regarding airline change fee waivers is available on our [website](#).”
