

WorkArmor™ DIY

The Only Glove You'll Ever Need

Black or Coyote
S, M, L, XL

The ultimate work glove created specifically to deliver high performance results every day, while providing excellent resistance against *tears, punctures, flames, cuts and abrasions*.

Our 7 in 1 glove has a Non-Slip Grip to maximize your control while working, and our machine-washable fabric allows you to get a fresh start every day.

WORKARMOR™ DIY Gloves are developed with a patented material, SWX Tech™, and are perfect for all your DIY projects including yard work, auto repair, carpentry, plumbing, framing, farming, ranching, and all the other items on your weekend “To Do” list.
