

Air & Water Hoses Mega Cables & Ropes

MEGA *Clamp*TM

Reusable • Adjustable • Rugged

Leader in Cable Management Solutions

MEGA Clamp™

The patented MEGA Clamp™ takes the successful Cable Clamp® design and MEGA sizes it! This easy-to-use organizational tool is great for securing coiled cables, ropes, and air and water hoses. Constructed with durable polymers and stainless steel, the MEGA Clamp™ is self-aligning and forever reusable. Tremendously useful with many real-world applications, the MEGA Clamp™ is for up to 4” bundles. The large cord and hose management solution!

Three MEGA Clamp™ Models Available
