### **HELPFUL HINTS**

#### **SAVE MONEY**

Order early on [FreemanOnline](#) to take advantage of advance order discount rates, place your order by March 11, 2022.

#### **AVOID DELAY**

Ship early to avoid delays. Shipments arriving late at show site will cost you money, time and business!

#### **SAFETY TIPS**

Use a ladder, not a chair. Standing on chairs, tables and other rental furniture is unsafe and can cause injury to you or to others. These objects are not designed to support your standing weight.

Be aware of your surroundings. You are in an active work area with changing conditions during move-in and move-out. Pay attention. Look for obstacles, and machinery and equipment that are in use.

Keep your eyes open for scooters and forklifts. The drivers of these vehicles may not be able to see you.

Stay clear of dock areas, trucks and trailers. These areas can be particularly dangerous.

Prevent electrical shocks, falling items and damage to materials. Do not attach items or equipment to the drapes or metal framework provided for you booth. This can cause serious injury or damage to materials.

We discourage children from being in the exhibit hall during installation and dismantle. If children are present during installation and dismantle, they must be supervised by an adult at all times.

Freeman does not ship or handle Hazardous Materials. If any materials you are shipping to the event fall into this category, please contact Freeman to be sure that the material will be allowed at the facility and by the association. In addition, if authorized by the facility and the association, you will need to make separate arrangements for the transport and handling of the approved materials, since Freeman will not transport or handle them.

The operation or use of all motorized lifts and motorized material handling equipment for installation/dismantle of exhibits is NOT permitted by exhibitors or by their exhibitor appointed contractors (EACs). Thank you for your cooperation

Call Exhibitor Support at (888) 508-5054 with any questions or needs you may have.

## Interested in going green and saving money?

Follow these tips to make sure your sustainable booth strategies are cost-neutral or even cost-saving! Leave an impact on the show floor, not the environment.

# 1 BEFORE THE SHOW

## booth structure

### Option 1 Multiple Use

Use **Forest Sustainable Certified (FSC)** wood to build your booth and crates.

Get creative! Design your booth with a **small shipping footprint** to minimize carbon emissions. Freeman's eye-catching stretch-fabric booth designs pack up small (and light!) for shipping.

### Option 2 One-time Use

**Rent locally** from nearby Freeman offices to reduce both shipping costs and carbon emissions.

# 2 carpet

### Option 1 Rent

**Rent rather than buy carpet** to save on shipping, cleaning, and storage. Freeman Classic carpet can be reused at least four times.

### Option 2 Color

Use darker-colored carpet, which is easier to reuse and recycle. Freeman Classic dark-colored carpets are made of 20-50 percent recycled content.

# 3 shipping

**Online + before deadline = better bottom line.** Take advantage of early-bird pricing and consolidate shipping when ordering supplies.

**Choose reusable shipping padding.** Avoid packing peanuts and foam plastic materials that never decompose.

**Ship early.** Use the 30-day policy to ship materials to the Freeman advance warehouse.

# 4 graphics

### Option 1 Multiple Use

Print on a durable substrate **without dates, event names, or locations.**

### Option 2 One-time Use

Print on 100 percent recyclable materials like Freeman Honeycomb and Smartbuild Eco, which are just as cost-effective as PVC.

# 5 printing

Reduce printing and **go digital** with your booth literature.

**Print locally.** Supporting local businesses while reducing shipping? It's a win-win.

Print on at least **50 percent post-consumer recycled paper.**

# 6

## ON SITE

### save energy

Use Energy Star-rated equipment for audio-visual equipment and monitors.

Power down. Turn off equipment at the end of each day.

Light up your booth with CFLs, LEDs, or other energy-efficient lighting.

# 8

### shipping out

#### Pack in, pack out.

Leave no traces on show site.

#### Join a caravan.

If you're shipping directly to another show, ask **Freeman Transportation about joining a caravan** to your next show.

# 9

### leftover materials
