# LAS VEGAS CONVENTION CENTER

“

THIS EXPANSION IS OUR COMMITMENT TO OUR CLIENTS –  
TO DELIVER THE EXCELLENT SERVICE AND AMENITIES THAT  
HAVE MADE LAS VEGAS THE WORLD’S PREMIER DESTINATION.

– STEVE HILL, LVCVA/CEO PRESIDENT

**IN THIS AGE OF INNOVATION**, Las Vegas allows visionaries to come together to share ideas and push their industries even further by providing the world’s top destination for conventions and trade shows.

Beyond the ability to accommodate convention and trade shows of any size with 14 million square feet of indoor and outdoor exhibit and meeting space, guests and attendees are met with an unrivaled experience from the moment they arrive.

Las Vegas has hospitality professionals trained to handle your needs. On top of unparalleled entertainment opportunities from award-winning shows, to professional sports, Las Vegas is home to world-class cuisine, one-of-a-kind attractions, excellent shopping and a variety of outdoor activities.

With the space, technology and commitment to excellence, there is no question that Las Vegas is the quintessential convention and trade show locale.

THE BORING COMPANY IS EXCITED TO CONTRIBUTE TO THE FUTURE OF LAS VEGAS, AND WORK WITH LEADERS WHO HAVE A VISION FOR TRANSPORTATION.

- STEVE DAVIS, TBC PRESIDENT

## GET BACK OUT THERE. STARTING HERE.

The Las Vegas Convention Center is one of the busiest facilities in the world - a 4.6 million-square-foot facility located within a short distance of 150,000 guest rooms. Operated by the Las Vegas Convention and Visitors Authority (LVCVA), the convention center is well known among industry professionals for its versatility.

## OUTSTANDING FACILITIES AND MEETING ROOMS

- Over 2.5 million square feet of exhibit space including 328,000 square feet of column-free space at the West Hall
- Nearly 400,000 square feet of meeting room space
- 225 meeting rooms
- 225,000-square-foot lobby/registration space
- Three 15,000-square-foot dining areas
- Parking for more than 5,000 vehicles
- The 15 halls on ground level in the North, Central, South and West halls have a floor-load of 450 lbs. per square foot and the two halls on the second floor in the South halls have 300 lbs. per square foot load capacity
- The Las Vegas Monorail and Convention Center Loop provide quick and convenient transportation options to move attendees across campus and throughout Las Vegas
- 14,000-square-foot outdoor terrace with sweeping views of the Strip
- The West Hall atrium features a 10,000-square-foot digital screen developed by Samsung, the largest digital experience in a convention center in the U.S.

## GBAC STAR ACCREDITED FACILITY

The Las Vegas Convention Center (LVCC) was awarded the Global Biorisk Advisory Council (GBAC) STAR facility accreditation by ISSA, the world's leading trade association for the cleaning industry. Considered the gold standard for safe facilities, the GBAC program was designed to control the risks associated with infectious agents, including the virus responsible for COVID-19. The LVCC was the first facility in Nevada to receive the accreditation.

# TRANSPORTATION

## VEGAS LOOP AT LAS VEGAS CONVENTION CENTER

The Vegas Loop at Las Vegas Convention Center is an underground transportation system designed to quickly transport passengers throughout the 200-acre Las Vegas Convention Center campus in a fun and convenient way, free of charge. The system consists of two one-way, .8-mile-long tunnels, built to accommodate all-electric Tesla vehicles driving at speeds of up to 35 mph. Three passenger stations offer convenient access between key LVCC destinations and nearby transportation connections.

Typical walk time between the West Hall to the existing North/Central halls can take up to 25 minutes. The same trip on the Vegas Loop at Las Vegas Convention Center takes approximately two minutes.

The system is designed to transport more than 4,400 convention attendees per hour across the campus. Passengers load into vehicles capable of holding three people, with future vehicles capable of up to 12.

Plans have been announced to expand the system throughout the entire resort corridor, known as the Vegas Loop, which will ease traffic congestion and offer a new transportation option for visitors. There are currently 55 planned stations for the Vegas Loop throughout the Las Vegas Strip and Clark County.

## LAS VEGAS MONORAIL

The Las Vegas Monorail provides a quick and convenient connection along the Las Vegas Strip, linking riders to world-class restaurants, shows, shops, day/nightclubs, spas, hotels, and casinos. Directly connected to the Las Vegas Convention Center (LVCC), as well as several resort hotels, the monorail is the most convenient way to get around the Strip in just minutes – without the hassles of traffic or wasting time. Trains arrive every four to eight minutes at each of the seven stations, including:

- MGM Grand
- Bally's/Paris Las Vegas
- Flamingo/Caesars Palace
- Harrah's/The LINQ
- Las Vegas Convention Center
- Westgate Resort & Casino
- SAHARA Las Vegas

Las Vegas' "green" public transportation choice, the Monorail's electric trains are zero-emissions vehicles and provide significant reductions in vehicle miles and emissions for our Southern Nevada community.

The Monorail offers exclusive discounts to conventions and groups within the resort corridor to augment any transportation plan. Opportunities range from discount shopping carts for attendees and exhibitors, integrating Monorail tickets into show registration and show badges, and numerous sponsorship and advertising options.
